Presidents Message August 2014

Welcome to our 2 new members Shane & Lee Drury who were inducted last night at the dinner meeting. Please Lions when we see them at meetings go up and introduce yourself as I am sure they will not remember everyone for a while. Lee and Shane have their own automotive business in Ulladulla behind Key Kitchens.

It was also pleasing to have with us 2 groups of youth from completely different parts of the world. The 2 Ulladulla High school students who have just returned from their outward Bound experiences were really appreciative of the opportunity given to them from Lions.

I would like to thank the host families Tracey & Mark Gillespie and Bec & Grant Schultz for hosting Adeline and Giuliani for the period. Both girls will be leaving this weekend to go to different Youth Camps in Australia .There was another overseas youth in Ulladulla but he had travelled to Sydney and was commencing his camp a little earlier than the girls. He had a week with Ann & myself and a week with Robyn & Herbie Chee and enjoyed the time.

Last night at our meeting we were able to say good bye to both Greg & Matt. Greg has moved to Wollongong and has transferred to the Wollongong Club but will stay as an associate member with us. We will miss his wise counselling and knowledge but he is only a phone call away. Matt will be moving to Queensland with his family and has been fortunate to obtain a job with Bendigo bank at Mermaid Beach on the Gold Coast. He is going to continue to be our treasurer but will be working closely with his assistant treasurer Ann. Matt will still pay all the bills so what is needed is that accounts be scanned and then sent to Matt, otherwise they can be left with Ann at work or bring them to the meetings. At the next Board meeting after this short trial, a process will be organised for all to follow.

The meeting on the 20th August has been transferred to the 21st August. On that date a group of Lions from Albany WA will be travelling through Ulladulla on their way around Australia. It was agreed that we invite them to our dinner meeting where they can tell us about their journey.

The Lions Club has been requested by the Rotary Club to take over the organising of the Blessing of the Fleet festival. At a special Board meeting on Monday the 9th July it was agreed that we commence preliminary discussions to do this. The plan will be that we will attend all sub-committee meetings for the next 12 months and then make a final decision for the running of the festival for 2016. Thanks to those members who are prepared to look seriously at this plan.

See you at the next meeting

Allan Mac

Hospital bill

A man suffered a serious heart attack while shopping in a store. The store clerks called 911 when they saw him collapse to the floor.

The paramedics rushed the man to the nearest hospital where he had emergency open heart bypass surgery.

He awakened from the surgery to find himself in the care of Nuns at the Catholic Hospital.

A Nun was seated next to his bed holding a clipboard Loaded with several forms, and a pen.

She asked him how he was going to pay for his treatment.

"Do you have health insurance?" she asked.

He replied in a raspy voice, "No health insurance."

The Nun asked, "Do you have money in the bank?"

He replied, "No money in the bank."

Do you have a relative who could help you with the payments?" asked the irritated Nun.

He said, "I only have a spinster sister, and she is a Nun."

The Nun became agitated and announced loudly,

"Nuns are not spinsters! Nuns are married to God."

The patient replied, "Perfect... Send the bill to my brother-in-law."

The Hearing Bus is coming to Burrill Lake

Australian Hearing is bringing hearing services to the doorstep of the local area, when its Hearing Bus stops by to offer free hearing checks on the South Coast.

Sandy Miles, Manager Australian Hearing South Coast, said hearing loss is a prevalent issue in the community, with around 60 per cent of Australians over 60 suffering from some form of hearing loss.

“The mobile service is a convenient way to check your hearing and make sure you are in good hearing health,” Sandy said.

“A hearing check is a quick and easy way to measure the sounds you can and can’t hear. Our team will also be on hand to guide you through what next steps you may have to take in regards to your hearing.”

As well as having a hearing check, visitors to the bus can find information on a range of common hearing issues and view a display of easy-to-use hearing devices for around the home. This includes headsets for watching the TV and alert systems for doorbells.

“Not everyone who is experiencing problems hearing needs a hearing aid. Sometimes it’s just hearing the TV at normal volumes, hearing your doorbell, or hearing your friends on the phone that’s the problem.”

No appointment is necessary. Australian Hearing will provide hearing checks to any interested adults who visit the bus on the day.

INVOCATIONS

As we Lions meet this evening, we give thanks for the opportunity to meet for this meal with our Lions family, visitors and guests. We pray we will be motivated by our concern for the wider community, which we have the privilege to serve.

As we Lions gather this evening, we give thanks for this dinner and for the opportunity to meet with our visitors and guests. We pray that further knowledge and understanding of our fellow citizens will serve to advance the Object of our Lions work

LIONS CLUBS INTERNATIONAL PURPOSES

TO ORGANISE, charter and supervise service clubs to be known as Lions Clubs.
TO COORDINATE the activities and standardise the administration of Lions Clubs.
TO CREATE and foster a spirit of understanding among the peoples of the world.
TO PROMOTE the principles of good government and good citizenship.
TO FUND and otherwise serve the civic, cultural, social and moral welfare of the community.
TO ASSIST financially; culturally; socially, and morally the disabled, disadvantaged and infirm of the community, both directly and indirectly.
TO UNITE the clubs in the bonds of friendship, good fellowship and mutual understanding.
TO PROVIDE a forum for the open discussion of all matters of public interest provided, however, that partisan politics and sectarian religion shall not be debated by club members.
TO ENCOURAGE service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavours.

LIONS CODE OF ETHICS

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.
TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self respect lost because of unfair advantage taken or because of questionable acts on my part.
TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.
WHENEVER a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.
TO HOLD friendship as an end and not as a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.
ALWAYS to bear in mind my obligations as a citizen to my nation, my state and my community and to give to them my unswerving loyalty in word, act and deed. To give them freely of my time, labour and means.
TO AID others by giving my sympathy to those in distress, my aid to the weak and my substance to the needy.
TO BE CAREFUL with my criticism and liberal with my praise; to build up and not destroy.
